

Mal for krabben

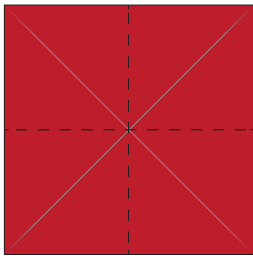

1.

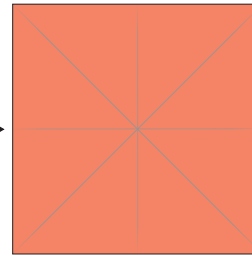

Brett arket to ganger diagonalt.
Åpne det igjen og snu siden.

2.

Brett øvre og nedre kant i to, og snu arket.

3.

Lim det brettede arket sammen med punktene som er merket med piler.

4.

Slik at det dannes en trekant. Vri arket slik at spissen vender ned.

5.

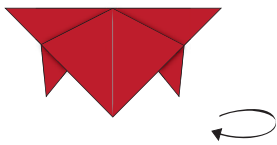

Brett de enkelte flatene langs pilene.

6.

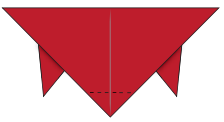

Brett tilbake og innover.

7.

Snu arket.

8.

Brett den lille spissen opp 1,5 cm.

9.

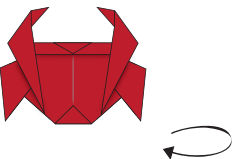

Brett den øvre kanten ned 1 cm.

10.

Brett høyre og venstre ytterkant innover langs markeringene.

11.

Snu arket.
